

**Legal notice to all customers and partner companies of services provided by
Business Upper Austria – OÖ Wirtschaftsagentur GmbH**

Business Upper Austria – OÖ Wirtschaftsagentur GmbH (Business Upper Austria) aims to contribute to the development of the Upper Austrian economic region and support the economic policy of the province of Upper Austria through its services. To compensate for the losses incurred in connection with its activities in this regard and to fulfill its tasks, it also receives financial subsidies from the public sector.

Such subsidies may also benefit users or partner companies in the form of services for which no fee or no market fee is payable. Provided that the services to be provided or provided by Business Upper Austria to partner companies or users are not classified as “non-economic,” the relevant conditions for granting aid to them may be met.
